**OstoGUARD**  
No Sting Barrier Film

- Non Sting
- Rapid Dry Formula
- Quick & Easy to use
- Protects Skin

OstoGUARD No sting Barrier Film is a rapid Dry Film specially created from the latest silicone technology and incorporating the oldest of nature's remedies for soothing painful sore skin.

OstoGUARD No Sting Barrier Film is highly effective in protecting the skin from faecal and urinary effluent, digestive juices and medical adhesives.

OstoGUARD No Sting Barrier Film aids in the adhesion and removal of flanges/pouches and dressings.
